## **ARTICLE 2 PURPOSE AND EFFECT OF THE PLAN**

### **2.1 Purpose**

The purpose of the Plan is to effect a compromise and arrangement of all Claims.

## 2.2 Overview

This overview is provided to assist the reader in understanding the Plan. Reference is also made to the Plan Circular, wherein further information with respect to the Plan is provided. In the event of an inconsistency between the overview in this Section 2.2 and the other provisions of the Plan, such other provisions shall govern. In the event of an inconsistency between the Plan Circular and the provisions of this Plan, this Plan shall govern.

The structure of the Plan and the flow of monies thereunder may be summarized as follows:

- (a) Commencing on Plan Implementation, all Cash on Hand, Litigation Recovery, and remaining TPI Proceeds will be paid into the Monitored Trust Account. All Insurance Proceeds will continue to be received from the respective insurance companies by the Applicant, or Mills, each of whom shall receive such funds in trust for the benefit of this Plan, and each of whom will immediately pay and deposit the Insurance Proceeds into the Monitored Trust Account.
- (b) Pursuant to the declaration of trust referred to in Section 6.2(e) of the Plan, effective on the Plan Implementation Date the Applicant will declare that it holds all Policies, Insurance Proceeds, Cash on Hand, Litigation Recovery, Tax Refunds, remaining TPI Proceeds and any other amounts to be deposited into the Monitored Trust Account in trust for the beneficiaries of the Plan, and that the Policies, Insurance Proceeds, Cash on Hand, Litigation Recovery, remaining TPI Proceeds and any other amounts shall be dealt with only in the manner provided for in the Plan. Pursuant to the trust declaration, no alteration in the Plan will affect the fact that the Policies are held in trust for the beneficiaries of the Plan.
- (c) The Monitor and the Applicant shall enter into the Monitored Account Agreement.
- (d) The majority of funds in the Monitored Trust Account will be available to pay Distributions to Purchasers and Ordinary Creditors in accordance with this Plan. However, the funds in the Monitored Trust Account will also be used to pay certain limited costs, being (i) Premiums on the Policies as and when due, (ii) Borrowing Costs, (iii) Professional Costs, (iv) the Administrative Fee and Mills' fees, (v) the Litigation Contribution, and (vi) Unaffected Claims, as provided for at Section 4.2 of the Plan.
- (e) A Reserve for Costs will be maintained in the Monitored Trust Account, in accordance with Section 4.3 of the Plan. Once the funds available in the Monitored Trust Account exceed the Reserve for Costs amount by U.S. \$5 million or more, 96.15% of such excess will be transferred into the Purchaser Pool (or the ROI Pool, as the case may be), which shall be used to pay Distributions to Purchasers, and 3.85% of such excess will be transferred into the Ordinary Creditor Pool, which shall be used to pay Distributions to Ordinary Creditors.

- (f) Due to the costs of making a Distribution, it is anticipated that Distributions will be paid annually, and in any event not more frequently than semi-annually, in each case subject to availability of funds for the payment of Distributions.
- (g) Distributions will be paid out of the Purchaser Pool until such time as Purchasers have been paid one hundred percent (100%) of their Original Investments, in aggregate. Distributions out of the Purchaser Pool will be calculated and paid based on the Original Investments, without interest or any other return. The Applicant anticipates that over approximately a six-year period the Purchaser Pool will pay sufficient Distributions to pay to Purchasers one hundred percent (100%) of their Original Investments.
- (h) After Purchasers have been paid one hundred percent (100%) of their Original Investments, the ROI Pool shall be funded from the Monitored Trust Account, if additional monies are available. In addition, the Applicant is entitled to a Success Fee if one hundred and ten percent (110%) of Purchasers' Original Investments are paid, as described in Section 4.10 of this Plan.
- (i) Distributions out of the ROI Pool will enable Purchasers to obtain a return on their investments, over and above their Original Investments; such Distributions will be paid based on the methodology found in Schedule B to this Plan.
- (j) Distributions to Ordinary Creditors will be paid out of the Ordinary Creditor Pool, based on the Proven Claims of those Ordinary Creditors.
- (k) A Sale Process relating to the Policies may in appropriate circumstances be conducted, as set out in Section 4.9 of this Plan.

### **2.3 Benefits of the Plan**

It is the Applicant's view that the Plan offers several benefits to the Creditors, and will result in a maximization of the Distributions available to Creditors. The Applicant has identified the following benefits of a successful Plan implementation:

- (a) This Plan will prevent a liquidation sale of the Applicant's portfolio of Policies. The Applicant believes that such a liquidation sale would generate net proceeds well below what this Plan will return to Creditors, and well below the Original Investments of Purchasers.
- (b) The Applicant and Mills are very familiar with the portfolio of Policies and have been managing and administering this portfolio since inception. As such, there are existing processes and procedures in place, including databases, document management capabilities, insured monitoring protocols and other technological systems, all of which provide for the efficient maintenance of the portfolio. In addition, the Applicant and Mills have qualified administration staff who have relationships with insurance carriers, agents and the insured persons, and who routinely process premiums, track insured lives, and process death claims.

- (c) This Plan will also permit the Applicant to utilize the Litigation Contribution to continue with two actions (the “**Actions**”) currently outstanding, being *Universal Settlements International Inc. v. James Torchia, Marc Celello and National Viaticals Inc.* (United States District Court, Western District of Michigan, Court file no. 1:07-cv-1243) and in *Universal Settlements International Inc. v. Antonio Duscio et al.* (Ontario Superior Court of Justice, Court file no. 06-CV-323645 PD3), from which the Applicant expects to receive a net recovery. The potential benefit of the Actions may be lost if the Applicant does not continue to operate. As described in Section 4.5 of this Plan, all Litigation Recovery will be paid into the Monitored Trust Account.
- (d) A typical Life Settlement transaction between the Applicant and a Purchaser commenced with the execution of a purchase agreement. The terms of the Applicant’s purchase agreements evolved slightly over time as programs changed. The terms of many purchase agreements are ambiguous in some respects, and there is some doubt as to whether some Purchasers have (i) a claim only as a creditor of the Applicant, and no direct claim to the Policies purchased by the Applicant on their behalf, or (ii) a direct claim in the Policies purchased by the Applicant on their behalf. Except with respect to the life insurance policies held in the M-Series Trust or the USII Trust, since such policies are held in trust for the Purchasers of such policies, for the purposes of the Plan, all Purchasers will be treated as Creditors. The Applicant is strongly of the view that the approval and implementation of the Plan will return to Purchasers, in aggregate, more than the Purchasers would realize if they were to assert a direct ownership or beneficial interest in the Policies previously allocated to the Purchasers.

## **2.4 Cash on Hand to be paid into Monitored Trust Account**

As of the close of business on June 25, 2009, the estimated Plan Implementation Date, the Applicant anticipates that the aggregate of approximately U.S. \$8.7 million will be available for contribution into the Monitored Trust Account, such aggregate amount consisting of (i) cash in possession of the Applicant as of Plan Implementation Date, (ii) Premium Reserves, and (iii) Death Benefit Maturity Funds (collectively, “**Cash on Hand**”).

## **2.5 Escrow Fund**

The Shareholders have agreed that any and all portions of the Escrow Fund that are released to the Shareholders, or the Applicant, shall be paid into the Monitored Trust Account. Upon any release of all or any part of the Escrow Fund, it shall be deposited directly to the Monitored Trust Account, pursuant to a direction to be executed by the Applicant and the Shareholders. If all or any part of such amount is needed for the payment of the Applicant’s legal fees and disbursements in the Actions, the Applicant shall be entitled to the release of all or part of such amount, upon presentation to the Monitor of a copy of an invoice or other similar documentary record of the amount to be paid, to the Applicant for such purpose. If not needed for payment of the Applicant’s legal fees and disbursements in the Actions, 50% of the remaining balance of the Escrow Fund shall be paid directly to the Shareholders and the remaining 50% shall remain in the Monitored Trust Account to be distributed as otherwise provided for in this Plan. The

Monitor shall not be obliged to consider the reasonableness of the request for payment of any amount for the payment of legal fees equal to the amount of the Escrow Fund deposited to the Monitored Trust Account.

## **2.6 Unaffected Claims**

This Plan does not affect the following claims, liabilities or other obligations of the Applicant, except as may expressly provided under the terms of any Order:

- (a) *Post Filing Goods and Services* – the claims arising in respect of goods or services supplied after the Initial Order Date and prior to Plan Implementation;
- (b) *Professional Advisors* - the claims of the Monitor and of the legal advisors to the Applicant and the Monitor for fees and disbursements (the “**Professional Costs**”) incurred or to be incurred in connection with and incidental to (i) the CCAA Proceedings, (ii) the preparation, approval and administration of this Plan, and (iii) the recovery of Insurance Proceeds and the protection of the Policies, in each case other than fees and disbursements incurred with respect to the Actions.
- (c) *Directors and Officers* – the Claims of individuals who are current officers or Directors of the Applicant for indemnity pursuant to indemnities provided by the Applicant.
- (d) *Secured Creditors* – the Secured Claim of any Person.
- (e) *Insured Claims* – the Claims arising in the ordinary course of business against the Applicant which are covered by insurance held by the Applicant (“Insured Claims”), including the Claims or portions of Claims which are below the deductible amounts in such insurance policies, provided, however, that the Applicant shall not be obliged to pay any obligations in respect of deductibles arising on or before the Initial Order Date. For greater certainty, Insured Claims shall have recourse solely against the applicable insurers, and neither the Person having an Insured Claim, nor the insurer itself (whether by subrogation or otherwise) shall have any recourse with respect to the Insured Claim as against the Applicant, or any Proven Claim for the purpose of the Plan.
- (f) *Claims of the Crown* – Claims of the Crown referred to in paragraph 18.2(1) of the CCAA.

## **2.7 Affected Persons**

On Plan Implementation, the Plan will become effective and be binding on the Applicant and the Creditors and all other Persons affected by the provisions of this Plan.

Other than the Corporate Policies, this Plan does not affect any policies held in the M-Series Trust or the USII Trust, since such policies are held in trust for the Purchasers of such policies. For greater certainty, however, this Plan does affect, compromise and release any Claim that any Purchaser of such policies may have against the Applicant or other Persons.

## **2.8 Persons not affected by this Plan**

Except to the extent that they may be generally affected by the declarations of trust herein, (i) Persons holding Unaffected Claims shall not be affected by the compromise and arrangements set out in this Plan, and (ii) Persons with claims in the Actions shall not be affected by the compromise and arrangements set out in this Plan.

## **ARTICLE 3 CLASSIFICATION OF CREDITORS**

### **3.1 Classification of Creditors**

The classification of Creditors for the purpose of considering and voting on this Plan and receiving Distributions hereunder are:

- (a) Purchasers; and
- (b) Ordinary Creditors.

## **ARTICLE 4 TREATMENT OF CREDITORS**

### **4.1 Compromise of Claims of Creditors**

For the purposes of this Plan, the Creditors shall receive the treatment as provided in Article 4 of the Plan and on the Plan Implementation Date, Claims will be settled in accordance with the terms hereof.

Creditor Approval of this Plan shall be deemed to occur if each Class of Creditors (being Purchasers and Ordinary Creditors) approves this Plan in accordance with the CCAA at duly constituted Meetings of such Creditors, in which case this Plan and its terms shall bind all Creditors.

### **4.2 The Monitored Trust Account**

The Monitored Trust Account shall be a segregated bank account or bank accounts in a Canadian chartered bank, established by the Applicant and, subject to the terms of this Plan, shall be held in trust for the Purchasers and the Ordinary Creditors, pursuant to a Declaration of Trust to be executed by the Applicant. As trustee for the Monitored Trust Account, the Applicant will enter into an agreement (the "Monitored Account Agreement") with the Monitor which will provide for the mechanics of operation of the Monitored Trust Account and the terms of oversight of the Monitored Trust Account to be provided by the Monitor.

The Monitored Trust Account may be held in Canadian or U.S. dollars, or in such other currencies as the Monitor may deem appropriate.

All Policies, Insurance Proceeds, Litigation Recovery, Cash on Hand, Tax Refunds, and remaining TPI Proceeds in possession of or received by the Applicant or Mills on or after Plan Implementation shall be held in trust by the Applicant, or Mills, as the case may be, pursuant to Declarations of Trust to be executed by the Applicant and Mills in favour of the Purchasers and the Ordinary Creditors. All Insurance Proceeds, Litigation Recovery, Cash on Hand, and remaining TPI Proceeds shall be paid forthwith after Plan Implementation by the Applicant, or Mills, as the case may be, for deposit into the Monitored Trust Account.

The funds may be disbursed out of the Monitored Trust Account in accordance with the Monitored Account Agreement and this Plan, to pay the following (collectively, the “Costs”):

1. Premiums;
2. Professional Costs;
3. Administrative Fees and Mills’ fees;
4. Borrowing Costs ;
5. the Litigation Contribution; and
6. Unaffected Claims;

In addition, any bank charges related to the Monitored Trust Account may be deducted by the bank from the account.

Payment of such amounts are subject to:

- confirming that the Costs are due and are a permitted disbursement pursuant to the Plan;
- there being sufficient funds in the Monitored Trust Account to make such payments;
- the Monitor’s review of the Costs for reasonableness;
- the Court’s approval of fees and disbursements, where applicable; and
- the Monitor’s ability to apply for direction from the Court, if necessary, prior to paying any Cost.

Payments out of the Monitored Trust Account on account of any Canadian taxes or withholdings as required by law shall also be permitted.

There shall be no obligation to pay Costs pro rata, in the event that sufficient funds are not available from time to time to pay all Cost, and the timing of the payment of all Costs shall be at the discretion of the Monitor, or as the Court may direct. The Monitor shall not incur any

liability for the payment or non-payment of any Costs, or the timing or manner of such payments.

Subject to the Reserve for Costs described at Section 4.3 below, and the payment of Costs, funds may be made available to the Purchaser Pool, the ROI Pool and the Ordinary Creditor Pool in accordance with this Plan, to allow for the payment of Distributions from those Pools to Creditors. No payments shall be made directly to Creditors out of the Monitored Trust Account and Creditors shall not be entitled to assert any direct claim to the funds in the Monitored Trust Account, without Order of the Court.

#### **4.3 Reserve for Costs**

A reserve (the “**Reserve for Costs**”) shall be established in the Monitored Trust Account in order to fund the Costs. As of Plan Implementation Date, the opening balance of the Reserve for Costs shall be the amount of the Cash on Hand. Thereafter, the Reserve For Costs shall be maintained in an amount sufficient, in the Monitor’s sole discretion, to pay the anticipated Costs for the following two years. In determining the Reserve for Costs, the Monitor shall be entitled to rely on the information provided by the Applicant, Mills and the insurance companies, relating to projected Premium liabilities, Borrowing Costs, Professional Costs, Litigation Costs, the amount of any Unaffected Claims, and any other amounts or issues affecting the amount of Reserve for Costs.

Upon the maturity of all Policies and receipt of all Insurance Proceeds, or upon the completion of the Sale Process and the closing of all transactions for the sale of all remaining Policies, the remaining balance of the Reserve For Costs shall be available to pay any remaining Costs and to make transfers to the Pools for the payment of Distributions to Creditors.

#### **4.4 Power to Borrow**

The Applicant, with the Monitor’s prior written consent, shall be entitled to borrow money against the Policies, and to grant security interests in the Policies to secure such loans, where such borrowings are necessary in the Monitor’s opinion to provide funds for the payment of Premiums, the Professional Costs, the Administrative Fee and/or Mills’ fees. Any such funds borrowed shall be deposited directly into the Monitored Trust Account to be used to pay the Premiums, Professional Costs, the Administration Fee, and Mills’ fees. Other than borrowings for these purposes, the Applicant shall not borrow money against the Policies nor grant security interests in the Policies to secure any indebtedness or other obligations.

#### **4.5 Litigation Contribution and Litigation Recovery**

The Applicant shall have the power to continue the Actions, and the Litigation Contribution (including any portion of the Escrow Fund deposited into the Monitored Trust Account in accordance with Section 2.5 of this Plan) shall be made available to the Applicant and its counsel for the payment of the Applicant’s legal fees and disbursements with respect to the Actions. As noted in the definition of “Litigation Contribution”, U.S. \$500,000 of the Litigation Contribution shall be made available from the Monitored Trust Account. In this Section 4.5, this is referred to

as the “Litigation Contribution sourced from cash”. In addition, any portion of the Escrow Fund paid into the Monitored Trust Account shall also be available as part of the Litigation Contribution. In this Section 4.5, this is referred to as the “Litigation Contribution sourced from the Escrow Fund”.

No amount in excess of the Litigation Contribution shall be paid out of the Monitored Trust Account toward payment of the Applicant’s legal fees and disbursements with respect to the Actions.

To the extent that the Litigation Contribution sourced from the Escrow Fund is not needed to pay the Applicant’s legal fees and disbursements with respect to the Actions, the Escrow Fund shall be distributed from the Monitored Trust Account in accordance with Section 2.5 of this Plan.

The amount of the Litigation Contribution actually used to pay the Applicant’s legal fees and disbursements related to the Actions shall be considered a deduction from the monies otherwise transferable from the Monitored Trust Account to the Ordinary Creditor Pool. The Litigation Contribution may be paid out of the Monitored Trust Account at any time, and from time to time, provided that sufficient funds are available in the Monitored Trust Account, and regardless of whether the funds at that time available for transfer to the Ordinary Creditor Pool are greater than or less than the amount of the Litigation Contribution sought by the Applicant at that time. However, no transfer from the Monitored Trust Account to the Ordinary Creditor Pool shall take place until the funds available for transfer to the Ordinary Creditor Pool in accordance with Section 4.8 of this Plan exceed the Litigation Contribution previously paid out of the Monitored Trust Account and then outstanding.

All Litigation Recovery will be deposited into the Monitored Trust Account, and shall be applied as follows (in each case without interest or deduction):

- (a) first, to reimburse the Monitored Trust Account for the full amount of any Litigation Contribution sourced from cash and previously paid out to fund the Applicant’s legal fees and disbursements with respect to the Actions;
- (b) next, to pay to Borden Ladner Gervais LLP the amount of its Claim secured by a solicitor’s lien, to the maximum amount of \$840,000, in accordance with a settlement agreement approved by the Court on June 12, 2009;
- (c) next, on a *pari passu* basis, to (i) reimburse the Monitored Trust Account for fifty percent (50%) of any Litigation Contribution sourced from the Escrow Fund and previously paid out to fund the Applicant’s legal fees and disbursements with respect to the Actions, and (ii) pay to the Shareholders an equal amount;
- (d) if payment of any portion of the Litigation Contribution previously resulted in a lower amount being transferred from the Monitored Trust Account to the Ordinary Creditor Pool, then the reimbursements in paragraphs (a) and (c)(i) of this Section 4.5, together with such additional funds as are available in the Monitored Trust Account from the Litigation Recovery, shall be paid into the Ordinary Creditor Pool to restore it to the position that it would have been in, had the Litigation Contribution not been paid out;

- (e) next, an additional amount of the Litigation Recovery, equal to the total amount of the Litigation Contribution paid out to fund the Applicant's legal fees and disbursements, shall be transferred from the Monitored Trust Account into the Ordinary Creditor Pool, without regard to the formulae set out in Sections 4.6 and 4.8 of this Plan; and
- (f) any remaining Litigation Recovery shall remain in the Monitored Trust Account for disbursement in accordance with this Plan.

The Applicant has agreed to establish a committee of three Creditors to consult with the Applicant with respect to the conduct of the Actions and the fees and disbursements incurred in prosecuting the Actions.

#### **4.6 Purchaser Pool**

The Applicant shall establish a segregated bank account into which funds from the Monitored Trust Account, for payment of Distributions to Purchasers, will be deposited and held in trust by the Applicant, pursuant to a Declaration of Trust to be executed by the Applicant. The payment of all amounts to be paid out of the Purchaser Pool will be subject to the provisions of the Monitored Account Agreement.

Upon declaring a Distribution, the Purchaser Pool shall be funded out of the proceeds held in the Monitored Trust Account based upon the following formula (all amounts in the following formula are in U.S. dollars):

$$\begin{aligned} & \text{(Purchaser Policies' face values and Premium Reserves at Plan Implementation Date) /} \\ & \text{(Purchaser Policies' and Corporate Policies' face values}^1 \text{ and Premium Reserves at Plan} \\ & \text{Implementation Date) = Purchaser Pool allocation} \\ & = (\$185,040,918 + \$2,709,072) / (\$185,040,918 + \$7,473,456 + \$2,744,944) \\ & = 96.15\% \end{aligned}$$

The Purchaser Pool shall be funded based upon the above formula until such time as (i) the Purchaser Pool is in an amount sufficient to pay Distributions to Purchasers equal to one hundred percent (100%) of their Original Investments, or (ii) there are no funds available in the Monitored Trust Account for such purpose.

#### **4.7 ROI Pool**

The Applicant shall establish a segregated bank account for purposes of establishing the ROI Pool, which shall be held in trust by the Applicant pursuant to a Declaration of Trust to be executed by the Applicant for purposes of paying Distributions to Purchasers. The payment of

all amounts to be paid out of the ROI Pool will be subject to the provisions of the Monitored Account Agreement.

Upon the payment into the Purchaser Pool of sufficient funds to pay to Purchasers amounts equal to one hundred percent (100%) of their Original Investments, funds shall be transferred to the ROI Pool from the Monitored Trust Account based upon the same formula used by the Monitor for transfers to the Purchaser Pool, as described in Section 4.6 above (that is, 96.15%).

#### **4.8 Ordinary Creditor Pool**

The Applicant shall establish a segregated bank account into which funds from the Monitored Trust Account, for payment of Distributions to Ordinary Creditors, will be deposited and held in trust by the Applicant, pursuant to a Declaration of Trust to be executed by the Applicant. The payment of all amounts to be paid out of the Ordinary Creditor Pool will be subject to the provisions of the Monitored Account Agreement.

Upon declaring a Distribution, the Monitor shall fund the Ordinary Creditor Pool out of the proceeds held in the Monitored Trust Account based upon the following formula (all amounts in the following formula are in U.S. dollars):

$$\begin{aligned} & (\text{Corporate Policies' face values}^2 + \text{Premium Reserves at Plan Implementation Date}) / \\ & (\text{Purchaser Policies' and Corporate Policies' face values}^3 + \text{all Premium Reserves at Plan} \\ & \text{Implementation Date}) = \text{Ordinary Creditor Pool allocation} \\ & = (\$7,473,456 + \$35,872) / (\$185,040,918 + \$7,473,456 + \$2,744,944) \\ & = 3.85\% \end{aligned}$$

The Ordinary Creditor Pool shall be funded based upon the above formula until such time as (i) the Ordinary Creditor Pool is in an amount sufficient to pay Distributions to Ordinary Creditors equal to one hundred percent (100%) of their Proven Claims, or (ii) there are no funds available in the Monitored Trust Account for such purpose.

#### **4.9 Sale Process**

The Applicant may request that the Monitor commence a Sale Process with respect to some or all Policies that have not matured under the following circumstances:

- (a) After sufficient funds are available in the Purchaser Pool to pay to Purchasers Distributions equal to one hundred percent (100%) of their Original Investments; or

---

<sup>2</sup> See footnote 1, above.

<sup>3</sup> See footnote 1, above.

- (b) Prior to there being sufficient funds in the Purchaser Pool to pay to Purchasers Distributions equal to one hundred percent (100%) of their Original Investments if the proceeds from the Sale Process would be sufficient to pay to Purchasers Distributions equal to one hundred percent (100%) of their Original Investments.

Such a Sale Process shall be commenced only if market conditions are such that the financial recovery from the sale of the Policies is determined by the Applicant, in consultation with the Monitor, to be more advantageous to Purchasers and Ordinary Creditors than the continued payment of the Costs and the continued collection of death benefits in respect of the Policies under the terms of this Plan. Such Sale Process shall not be held without further Order.

The net proceeds from the sale of any Policies shall be deposited into the Monitored Trust Account and distributed in accordance with this Plan.

#### **4.10 Disbursements from Pools**

Funds shall be transferred to the Purchaser Pool (or the ROI Pool, as the case may be) and to the Ordinary Creditor Pool from the Monitored Trust Account as frequently as the Monitor deems prudent, or as directed by the Court, taking into account the amount contained in the Monitored Trust Account from time to time, the required amount of Reserve for Costs, timing, any disputed issues outstanding, and any other issues that may then exist, subject to the Reserve for Costs remaining in the Monitored Trust Account at all times and subject to all applicable tax payment or withholding obligations, and provided that a decision by the Monitor or the Court as to the frequency of Distributions is final and binding for all purposes. Distributions shall be paid from the Pools, in accordance with this Plan. The payment of the first Distribution, subject to the above conditions, will be made as soon as practicable after June 1, 2010.

Distributions will be paid from the Pools as follows:

- (a) *Purchaser Pool*: Distributions from the Purchaser Pool shall be paid to Purchasers *pro rata* calculated on the basis of the amount of Purchasers' Original Investment, and without regard to (i) the date of that Original Investment, or (ii) any Claim based on interest or other return on the Original Investments of Purchasers. If at any time there are more monies in the Purchaser Pool than are necessary to pay to Purchasers one hundred percent (100%) of the Original Investments made by Purchasers, then the excess monies shall be transferred from the Purchaser Pool to the ROI Pool. Other than Distributions to Purchasers and the transfer of excess monies from the Purchaser Pool to the ROI Pool, no payments shall be made out of the Purchaser Pool.
- (b) *ROI Pool*: Distributions from the ROI Pool shall be paid to Purchasers based on the methodology set out in Schedule B to this Plan, which includes the payment of the Success Fee to the Applicant. Payment of the Success Fee is aligned with the interests of the Purchasers since it shall only be paid to the Applicant after Distributions totalling 110% of Purchasers' Original Investments have been distributed to Purchasers. The Success Fee is calculated as follows:

U.S. \$1 million Success Fee paid when 110% of Original Investments is paid to Purchasers; and

After payment of U.S. \$1 million Success Fee, proceeds shared 75% / 25% (Purchasers / Applicant) for that portion of the ROI Pool in excess of 110% of Original Investments paid to Purchasers.

- (c) *Ordinary Creditor Pool*: Distributions from the Ordinary Creditor Pool shall first be used to pay to Ordinary Creditors on a *pro rata* basis 100% of the lesser of \$250,000 or the total of each Proven Claim, and thereafter *pro rata* based on the remaining unpaid balance of each Proven Claim, at the same times as from the Purchaser Pool (or the ROI Pool, as the case may be). If the funds available in the Ordinary Creditor Pool exceed the aggregate amount of all Claims of Ordinary Creditors as of the Valuation Date, the Applicant shall transfer any remaining funds in the Ordinary Creditor Pool to the ROI Pool.

Notwithstanding the foregoing restrictions on disbursements from the Pools, disbursements may also be made on account of any clearance certificates or other legal or regulatory pre-conditions to payment of Distributions.

In making Distributions, the Applicant and the Monitor shall take into account the most cost-effective means of doing this, from both the Applicant's / Monitor's perspective, and also from the recipient's perspective.

#### **4.11 Right to Vote and Receive Distributions**

Only Creditors with a Proven Claim shall be entitled to vote or receive any Distribution under the Plan or in respect of a Claim, unless otherwise ordered by the Court. Notwithstanding the foregoing, if any Claims have not been finally determined pursuant to the Claims Procedure Order by the date of the Meeting, then a vote with respect to these unresolved Claims shall be recorded by the Monitor in accordance with Section 28 of the Claims Procedure Order. Purchasers shall not be entitled to recovery of any Claims out of any funds other than the Purchaser Pool and ROI Pool, and Ordinary Creditors shall not be entitled to recovery of any Claims out of any funds other than the Ordinary Creditor Pool.

#### **4.12 Crown Priority Claims**

Within six months after the date of the Sanction Order, the Applicant will pay in full all Claims pursuant to Section 18.2(1) of the CCAA.

#### **4.13 Effect of Plan Generally**

Save and except as otherwise provided herein, on the Plan Implementation Date the treatment of Claims under this Plan shall be final and binding on the Applicant and all Creditors (and their respective heirs, executors, administrators, legal or personal representatives, successors and assigns), and the Plan shall constitute (i) full, final and absolute settlement of all rights of the

holders of all Claims; and (ii) an absolute release and discharge of all indebtedness, liabilities and obligations of the Applicant, any Director, and any Agent in respect of any Claim.

From and after the Plan Implementation Date, no Creditor shall have any right to assert any claim against the Applicant, the Directors, the Monitor, or any Agent based, without limitation, on an assertion of a beneficial interest, ownership interest, trust interest, or any other proprietary interest against the Applicant or in any of its assets (including the Policies, the Premium Reserves and any Death Benefit Maturity Funds).

Further, on the Plan Implementation Date, all Creditors release and shall be deemed to release the Applicant, the Directors, the Monitor, and all Agents, of and from all obligations, liabilities, claims and causes of action, as set out more fully in Section 7.4 of this Plan.

#### **4.14 Events of Default**

If in the Monitor's opinion, acting reasonably, the Applicant has defaulted in the performance of this Plan, the Monitor shall promptly provide written notice to the Applicant of such default. If within thirty (30) days of written notice of default the Applicant has not remedied the default identified by the Monitor, and if the Monitor has not withdrawn its written notice of default, then the Monitor shall apply to the Court for such directions or Orders as it deems appropriate in the circumstances. As provided in Section 7.8 of this Plan, the Applicant and the Monitor may also, at any time, seek directions from the Court. If the urgency of the default is such that the Monitor, acting reasonably, cannot give the notice required herein, then the Monitor may apply to the Court for directions, on such notice as the Court may direct.

### **ARTICLE 5 MONITOR'S ROLE AND OTHER MATTERS**

#### **5.1 Monitor's Role**

In addition to any role that it may have under any Order, the Monitor shall supervise this Plan and monitor the Applicant's compliance with this Plan. The Monitor shall have access to the Applicant's books and records for the purposes of such supervision and monitoring, but shall not assume management or control of the Applicant or its business. The Applicant shall at the Monitor's request compile and make commercially reasonable efforts to obtain information relating to verifications of coverage of Policies, annual reports from insurance companies, tracking reports of maturities, Premium illustrations, correspondence with insurance companies, Unaffected Claims, due diligence of Policy portfolio for purposes of the Sale Process, and previously transferred Policies, and shall provide all such information to the Monitor at the Monitor's request. The Monitor may report to the Court and/or Creditors and seek directions from the Court from time to time as to the status of the Plan, the Monitored Trust Account, the Reserve for Costs, Borrowings, or any other matter.

## **5.2 Protections relating to the Monitor**

Ernst & Young Inc. is acting as Monitor in the CCAA Proceedings with respect to the Applicant and not in its personal or corporate capacity and will not be responsible or liable for any obligations of the Applicant. The Monitor shall be entitled to rely on information provided by the Applicant, subject only to the Monitor's review of such information for reasonableness. Ernst & Young Inc. in its capacity as Monitor will have the powers and protections granted to it by this Plan, the CCAA, the Initial Order, the Meeting Order, the Sanction Order and any other Order. When in the Monitor's view (i) all or substantially all of the obligations under the Plan have been performed, or (ii) a material adverse change with respect to the Plan has occurred, it may apply to the Court for directions with respect to the performance of any remaining obligations under the Plan or any other matter, and may seek its discharge as Monitor.

## **5.3 Role of Mills**

As the United States of America service agent for the Policies on behalf of the Applicant, Mills will continue to service 138 of the 155 open Policies for the Applicant. Mills will execute a declaration of trust pursuant to the terms of the Plan. Pursuant to direction from the Applicant, Mills will perform limited policy administration services, including the payment of Premiums and Premium Reserves and the collection of death benefits. Further, Mills will correspond with insurance companies as required and directed by the Applicant, and assist the Applicant in managing any issues which arise with respect to Policies. For its services, Mills will charge a transaction based fee. Mills fee will not be paid from the Administrative Fee set out in Schedule A to this Plan.

## **5.4 Risks related to the Plan**

The implementation and funding of the Plan is subject to a number of risks, which include without limitation:

- (a) it may take significantly longer than anticipated for Policies to mature, resulting in additional costs incurred by the Monitored Trust Account to pay the Premiums and Costs necessary to maintain the Policies;
- (b) if funds are not available (in the Reserve for Costs, or by way of Borrowings) to pay Premiums at any time, Policies may lapse;
- (c) if there is a dispute with the insurance company issuing any of the Policies, payment of Insurance Proceeds with respect to such Policies may be delayed or may not be received;
- (d) if the insured Person under any Policy cannot be located by the Applicant, or if a death certificate for that Person cannot be obtained on maturity of the Policy, the death benefit payable under the Policy may be delayed or may not be received;

- (e) certain Policies do not record the Applicant as the owner of such Policies, and such Policies could in some circumstances be revoked by the Person recorded as the owner of such Policies;
- (f) certain Policies are term life insurance policies, and may not be convertible to whole life policies, or may be subject to renewal at higher premiums;
- (g) the insolvency of any life insurance company would jeopardize the Policies insured by that insurer;
- (h) the Applicant's ability to retain its operations and perform the services outlined in Schedule A may in the future be adversely affected by changes in its business environment, by staff departures, or by other factors affecting its business, including without limitation any claims against it in the Actions.

#### **5.5 Unpaid or Unclaimed Distributions**

It is the Creditor's responsibility to ensure that the Creditor's current address is provided to the Applicant and the Monitor, and to advise the Applicant and the Monitor in writing if that address changes.

If the Monitor does not have the correct address for any Creditor entitled to a Distribution pursuant to this Plan, then such Distribution to that Creditor shall not be paid, and the amount of such Distribution shall remain in the applicable Pool. If such Creditor later provides a current address, the Distribution shall then be paid to the Creditor, without interest. Nothing contained in this Plan shall require the Applicant or the Monitor to locate such Creditor.

If prior to the time of the final payment of Distributions to Creditors from any Pool (i) any prior Distribution has not been paid to a Creditor, (ii) any cheque with respect to a prior Distribution has not been cashed, or (iii) the Monitor does not have any Creditor's then-current address for payment of any Distribution, then the Monitor shall deal with such Distributions ("**Undistributed Distributions**") in the manner then required by the CCAA, or as the Court may direct.

#### **5.6 Effect of Sanction Order**

The Applicant will seek a Sanction Order that will, in addition to sanctioning the Plan, and without limitation to any other terms that it may contain:

- (a) declare that the compromises effected hereby are approved, binding and effective as herein set out upon all Creditors;
- (b) approve all steps and transactions contemplated by the Plan, including, without limitation, those taken in connection with the completion of the restructuring;

- (c) stay any and all steps or proceedings commenced, taken or proceeded with or that may be commenced, taken or proceeded with against any or all Directors or Agents in respect of any Claim compromised or released hereby; and
- (d) be in form and substance satisfactory to the Applicant and to the Monitor, acting reasonably.

## **ARTICLE 6 CONDITIONS PRECEDENT**

### **6.1 Application for Sanction Order**

The Applicant will apply to the Court for the Sanction Order within 10 days following the date upon which Creditor Approval is obtained. On the Plan Implementation Date, subject to the satisfaction or waiver of the conditions contained in section 6.2, the Plan shall be implemented by the Applicant and shall be binding upon all Creditors and all other Persons affected by the provisions of this Plan.

### **6.2 Conditions Precedent to the Implementation of the Plan**

The implementation of this Plan will be conditional on the satisfaction of the following conditions:

- (a) *Creditor Approval* - The Plan has been approved pursuant to the CCAA by each Class of Creditors;
- (b) *Approval* - The Applicant shall have taken all corporate actions and proceedings which, in their reasonable opinion, are necessary to approve this Plan, and to enable them to execute, deliver and perform their obligations under this Plan;
- (c) *Sanction Order* - The Sanction Order has been issued by the Court on or before June 22, 2009, or such later date as the Applicant and the Monitor deems reasonable, and any other order deemed necessary or desirable by the Applicant or the Monitor has been obtained;
- (d) *Payment of Unaffected Claims* - all of the Unaffected Claims accrued to the Plan Implementation Date shall have been paid, or provision for payment of the Unaffected Claims shall have been made (in the opinion of both the Applicant and the Monitor, each acting reasonably);
- (e) *Declaration of Trust* – the Applicant shall have delivered to the Monitor a declaration of trust, wherein the Applicant declares that effective on the Plan Implementation Date the Applicant holds all Policies and all funds deposited into the Monitored Trust Account in trust for the beneficiaries of this Plan, and that the Policies and Insurance Proceeds and all other funds held in the Monitored Trust Account shall be dealt with only in the manner provided for in this Plan;

- (f) *Deliveries of Instruments* – The Applicant shall have executed and delivered all such other agreements, indentures, documents and other instruments which, in its opinion, and the Monitor’s opinion, acting reasonably, are necessary to be executed and delivered by the Applicant in order to implement the Plan and perform its obligations hereunder;
- (g) *Directions and declarations of trust, generally* – all directions and declarations of trust to be delivered pursuant to this Plan shall have been delivered in a form satisfactory to the Applicant and the Monitor, each acting reasonably; and
- (h) *Deliveries of Documents* - all relevant Persons have executed, delivered and filed all documents and other instruments that, in the opinion of the Applicant and the Monitor, acting reasonably, are necessary to implement the provisions of the Plan or the Sanction Order.

## **ARTICLE 7 GENERAL**

### **7.1 Binding Effect**

At the Effective Time on the Plan Implementation Date, the Plan will become effective and be binding on and enure to the benefit of the Applicant, the Creditors and all other Persons named or referred to in, or subject to, this Plan and their respective heirs, executors, administrators and other legal representatives, successors and assigns.

### **7.2 Amendments**

- (a) The Applicant reserves the right, at any time and from time to time, to amend modify and/or supplement this Plan, provided that any such amendment, modification or supplement must be contained in a written document which is filed with the Court and (i) if made prior to any meeting of Creditors called for the purpose of considering and voting in respect of the Plan pursuant to the CCAA, communicated to the Creditors in the manner deemed appropriate by the Monitor; and (ii) if made following such meeting, approved by the Court following notice to the Creditors affected thereby.
- (b) Any amendment, modification or supplement may be made by the Applicant following the Sanction Order, with the consent of the Monitor, provided that it concerns a matter which, in the opinion of the Applicant, acting reasonably, is of an administrative nature required to better give effect to the implementation of the Plan and to the Sanction Order and is not adverse to the financial or economic interests of the Creditors.
- (c) Any supplementary plan or plans of compromise or arrangement filed with the Court and, if required by this Section, approved by the Court, shall, for all purposes, be and be deemed to be a part of and incorporate into this Plan.

### **7.3 Termination**

At any time prior to the Plan Implementation Date, the Applicant may determine not to proceed with this Plan, notwithstanding any prior approvals given at any Meeting or the obtaining of the Sanction Order.

### **7.4 Releases**

Other than in respect of Unaffected Claims and obligations under the Plan, as at the Effective Time, each Creditor will be deemed to forever release, waive and discharge all Claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities (including any claim of a beneficial interest, ownership interest, trust interest, or any other proprietary interest against the Applicant or in any of its assets, including the Policies and the Premium Reserves), in each case whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise that are based in whole or in part on any act, omission, transaction, event or other occurrence taking place on or prior to the Valuation Date in any way relating to the Applicant, the CCAA Proceedings or this Plan against: (i) the Applicant; (ii) the Directors and those Persons who were employees of the Applicant as of the Valuation Date or thereafter; (iii) Persons who may claim contribution or indemnification against or from the Applicant; (iv) Agents, (v) the Monitor, and (vi) the legal counsel and other professional advisors to the Applicant or the Monitor, provided that nothing herein will release or discharge (A) directors or officers of the Applicant in respect of any claim referred to in paragraph 5.1(2) of the CCAA, or (B) any claims made in the Actions against the Applicant.

### **7.5 Consents, Waivers and Agreements**

At the Effective Time, each Creditor shall be deemed to have consented and agreed to all of the provisions of this Plan, as an entirety. Without limitation to the foregoing, each Creditor will be deemed:

- (a) to have executed and delivered to the Applicant all consents, assignments, releases and waivers, statutory or otherwise, required to implement and carry out this Plan as an entirety;
- (b) to have waived any default by or rescinded any demand for payment against the Applicant that has occurred on or prior to the Plan Implementation Date pursuant to, based on or as a result of any provision, express or implied, in any agreement or other arrangement, written or oral, existing between such Creditor and such Applicant with respect to a Claim; and
- (c) to have agreed that, if there is any conflict between the provisions, express or implied, of any agreement or other arrangement, written or oral, existing between such Creditor and the Applicant with respect to a Claim as at the Plan Implementation Date and the provisions of this Plan, then the provisions of this Plan take precedence and priority and the provisions of such agreement or other arrangement are amended accordingly.

## **7.6 Severability of Plan Provisions**

If, prior to the Effective Time, any provision of this Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of the Monitor may alter such provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of such provision, and such provision will then be applicable as altered and the remainder of the provisions of this Plan will remain in full force and effect and will in no way be invalidated by such alteration.

## **7.7 Governing Law**

This Plan will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. All questions as to the interpretation of or application of this Plan and all proceedings taken in connection with this Plan and its provisions shall be subject to the exclusive jurisdiction of the Court.

The Applicant agrees to execute and deliver, on or after the Effective Time, all such agreements, instruments and documents and to take all further actions as may be reasonably necessary from time to time to carry out the intent and purposes of this Plan.

## **7.8 Directions**

The Applicant or the Monitor may at any time, and with such notice as the Court may require, seek directions from the Court with respect to this Plan and the provisions hereof, including the Schedules.

**SCHEDULE B**  
**(Methodology for payment of Distributions from the ROI Pool)**

The monies in the ROI Pool shall be paid by the Monitor in the following order and in accordance with the following terms:

**FIRSTLY**, if monies are available in the ROI Pool after the payment of one hundred percent (100%) of Purchasers' Original Investments, then the Monitor shall pay Distributions to each Purchaser based on each Purchaser's proportionate entitlement, calculated in accordance with the following formula:

2009 minus the year in which the Original Investment was made by the Purchaser;

add one (1);

multiply by the amount of the Original Investment made by the Purchaser;

the product will then represent each Purchaser's proportionate entitlement to Distributions from the monies available in the ROI Pool.

FOR EXAMPLE:

Purchaser A invested \$100,000 in 2001, and Purchaser B invested \$100,000 in 2005. Their respective proportionate entitlements would be:

Purchaser A – 2009 minus 2001 equals 8, plus 1 equals 9, multiplied by \$100,000 equals 900,000 'units' for the purposes of calculating sharing of the monies available in the ROI Pool

Purchaser B – 2009 minus 2005 equals 4, plus 1 equals 5, multiplied by \$100,000 equals 500,000 'units' for the purposes of calculating sharing of the monies available in the ROI Pool

Such Distributions shall continue until Purchasers in aggregate are paid one hundred and ten percent (110%) of their Original Investments.

**SECONDLY**, the Monitor shall pay the next U.S. \$1,000,000 to the Applicant as a success fee.

**THIRDLY**, any monies remaining in the ROI Pool shall be distributed (i) seventy-five percent (75%) to the Purchasers, in accordance with the above formula, and (ii) twenty-five percent (25%) to the Applicant.
